Annual Accounts 2015-16

#### **Independent Auditors' Report**

To the Members of FUTURE SUPPLY CHAIN SOLUTIONS LIMITED

#### Report on the Financial Statements

We have audited the accompanying standalone financial statements of **FUTURE SUPPLY CHAIN SOLUTIONS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provision of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the

reasonableness of the accounting estimates made by the Company Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on financial statements.

#### Opinion

In our opinion and to the best of information and according to the explanation given to us, the financial statements give the information required by the Act in the manner so required and give true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of company as at March 31, 2016, its profit and its cash flow for the year ended on that date.

Annexure - B to the Auditors' Report
Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act,
2013 ("the Act")

We have audited the internal financial controls over financial reporting of **FUTURE SUPPLY CHAIN SOLUTIONS LIMITED** ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

# Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

# Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial

statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

# Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### FUTURE SUPPLY CHAIN SOLUTIONS LIMITED

# Significant Accounting Policies and Notes on Accounts.

### 1. SIGNIFICANT ACCOUNTING POLICIES:

### 1.1 Basis of preparation:-

Financial statements have been prepared in accordance with Generally Accepted Accounting Principles in India (Indian GAAP) under the historical cost convention on an accrual basis in compliance with all material aspects of the Accounting Standards (AS) notified under Section 133 of the Companies Act, 2013.

#### 1.2 Use of Estimates:-

Preparation of Financial Statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and disclosure of contingent liabilities at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

# 1.3 Tangible Fixed Assets and Depreciation:

Tangible fixed assets are stated at cost, less accumulated depreciation and impairment loss, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

Borrowing costs attributable to acquisition and construction of qualifying assets are capitalized as a part of the cost of such assets upto the date when such assets are ready for its intended use.

Depreciation is provided on Straight line method based on useful life of the assets as recommended in schedule II of the Companies Act. 2013.

### 1.4 Intangible Assets and Amortization:-

Intangible Assets are stated at acquisition cost, net of accumulated amortization and accumulated losses, if any.

Intangible assets are amortized on a straight line basis over their useful lives as under:

Assets Software	Estimated useful life
Exclusive Business Rights	6 years 10 years

### 1.5 Investments:-

Investments, which are readily realisable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

Investments are recorded at cost on the date of purchase, which includes acquisition charges such as brokerage, stamp duty, taxes etc. Current investments are stated at lower of cost and fair value which is determined on individual basis. Long-term investments are stated at cost, after deducting provisions made, if any, for other than temporary diminution in the value.

### 1.6 Transactions in foreign currency:-

Transactions in foreign currencies are recorded at the prevailing rates of exchange on the date of transaction. Monetary items denominated in foreign currencies, are restated at the prevailing rates of exchange at the balance sheet date. All gains and losses arising out of fluctuations in exchange rates are accounted for in the statement of Profit and Loss.

### 1.7 Revenue Recognition:-

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and can be reliably measured.

Revenue from services rendered is recognised as the service is performed based on agreements / arrangements with concerned parties.

Interest income is recognised in the Statement of Profit and Loss taking into account the amount outstanding and rates applicable.

# 1.8 Retirement and other employee benefits:-

Short term employee benefits are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss for the year in which the related service is rendered.

Post employment and other long term employee benefits are recognized as an expense in the statement of Profit and Loss for the year in which the employee has rendered services. The expense is recognized at the present value of the amounts payable determined using actuarial valuation techniques. Actuarial gains and losses in respect of post employment and other long term benefits are charged to Statement of Profit and Loss.

#### 1.9 Taxation:-

Provision for current tax is made on the basis of estimated taxable income for the current accounting year in accordance with the provisions of Income Tax Act, 1961.

Deferred tax resulting from "timing difference" between taxable and accounting income is accounted for using the tax rates and laws that are enacted or substantially enacted as at the Balance Sheet date.

Deferred tax asset are recognized only to the extent where there is a reasonable certainity that the assets can be realized in future. However, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is virtual certainity of realisation of such assets.

Deferred tax assets / liabilities are reviewed as at each balance sheet date and written down or written up to reflect the amount that is reasonably / virtually certain (as the case may be) to be realised.

The Company offsets the current tax assets and liabilities (on a year on year basis) and deferred tax assets and liabilities, where it has a legally enforceable right and where it intends to settle such assets and liabilities on net basis.

Minimum Alternative Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income-tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset in accordance with the recommendations contained in the guidance note issued by Institute of Chartered Accountants of India ('ICAI'), the said asset is created by way of a credit to the Statement of Profit and Loss. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income tax during the specified period.

# 1.10 Provisions, Contingent Liabilities and Contingent Assets:-

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized, but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

### 1.11 Impairment of assets:-

The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal/external factors. An asset is treated as impaired when the carrying cost of the assets exceeds its recoverable value. An impairment loss, if any, is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. Reversal of impairment losses recognized in prior years is recorded when there is an indication that the impairment losses recognized for the assets no longer exist or have decreased.

### 1.12 Operating Leases:-

Leases where significant portion of risk and reward of ownership are retained by the lessor are classified as operating leases and lease rental thereof are charged to the Statement of Profit and Loss as per the terms of agreement which is representative of the time pattern of the user's benefit.

### 1.13 Earnings Per Share:-

Basic earning per share are calculated by dividing the net profit for the year atributable to equity shareholders.
