SCHEDULE 8 : Significant Accounting Policies and Notes' to Accounts :

1. BACKGROUND :-

Satyam Mall Management Company Private Limited ('the Company') was incorporated on 25th April, 2006 under the provisions of Companies Act. 1956. The name of the Company was changed to Kshitij CapitaLand Mall Management Private Limited on 26th April, 2007 and to Kshitij Property Solutions Private Limited w.e.f 7th May, 2008. The Company is mainly engaged in providing mall management service.

The Company provides property management and leasing services and assists in managing client relations and promotional activities to malls. The Company's management has planned to increase the client base specifically targeting retail properties in which Horizon or the Kshitij fund have invested. Future Capital Holdings Limited, the holding company, has committed to provide continuing financial and operational support to the Company for its continued operations in the foreseeable future. Accordingly, the financial statements have been prepared under the going concern basis.

2. SIGNIFICANT ACCOUNTING POLICIES :-

(i) Basis of Preparation :-

The financial statements have been prepared to comply in all material respects with the Notified accounting standard by Companies Accounting Standards Rules, 2006 and the relevant provisions of the Companies Act. 1956. The financial statements have been prepared under the historical cost convention on an accrual basis. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

(ii) Use of Estimates :-

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported anounts of assets and liabilities and disclosure of confingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

(iii) Fixed assets :-

Fixed assets are stated at cost (or revalued amounts, as the case may be), less accumulated depreciation and impairment losses if any. Cost comprises of the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

(iii)Depreciation :-

Depreciation is provided using the Straight Line Method as per the useful lives of the assets estimated by the management, or at the rates prescribed under schedule XIV of the Companies Act, 1956 whichever is higher.

-	Rates (SLM) As per Management Estimate	Schedule XIV Rates (SLM)
 Office Equipment Computers 	4.75% [6.21%	4.75% 16.21%
3) <u>Hard Furnishings</u> Computers Office Equipment Furniture	31.67% 31.67% 31.67%	16.21% 4.75% 4.75%

Fixed assets purchased costing less than Rs. 5,000/- or less individually are fully depreciated in the year of purchase.

(iv) Impairment :-

The carrying amounts of assets are reviewed at each balance sheet date to see whether there is any indication of impairment based on internal / external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

A previously recognized impairment loss is increased or reversed depending on changes in circumstances. However the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

(v) Revenue recognition :-

Mall Management Fees is recognized in accordance with arrangements entered into with the customer.

(vi) Retirement benefits :-

The retirement benefits in the form of Provident Fund is a defined contribution scheme and the contributions are charged to the Profit and Loss account for the year when the contributions to the respective funds are due. There are no other obligation other than the obligation payable to the respective trusts.

Gratuity liability is defined benefit obligation and is provided for on the basis of actuarial valuation made at the end of each financial year.

Encashable short term compensated absences are provided for based on estimates. Long term compensated absences are provided for based on actuarial valuation. The actuarial valuation is done as per the projected unit credit method.

Actuarial gains and losses are immediately taken to profit and loss account and are not deferred.

(vii) Foreign currency transfation :-

Foreign currency transactions:

(i) Initial recognition :-

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

(ii) Conversion :-

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

(iii) Exchange differences 1-

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise.

(viii) Preliminary expenditure :-

Preliminary expenses are charged to profit and loss account in the year in which it is incurred.

(ix) Income Taxes :-

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act. Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

At each balance sheet date the Company re-assesses unrecognised deferred tax assets. It recognises unrecognised deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The company writes down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available income will be available income will be available against which deferred tax asset can be realised. Any such write down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available

(x) <u>Provisions</u>:-

A provision is recognized when the enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

(xi) Earnings Per Share :-

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.
