# NUZONE ECOMMERCE INFRASTRUCTURE LIMITED (FORMERLY KNOWN AS CORINNA INFRASTRUCTURE PRIVATE LIMITED)

# SCHEDULE 5 SIGNIFICANT ACCOUNTING POLICIES AND NOTES FORMING PART OF ACCOUNTS FOR THE PERIOD ENDED 31<sup>ST</sup> MARCH 2011

# A. SIGNIFICANT ACCOUNTING POLICIES

# 1. Basis of Accounting

305

The financial statements are prepared under historical cost convention on accrual basis and in accordance with applicable accounting standards notified by the Government of India/issued by the Institute of Chartered Accountants of India and the provisions of the Companies Act, 1956.

#### 2. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Any revision to accounting estimates is recognised prospectively in current and future periods. Difference between the actual results and estimates is recognised in the period in which the results are known/materialized.

#### 3. Earning per share:

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

#### 4. Preliminary Expenses:

Preliminary expenses are charged off to the Profit and Loss account as incurred.
