The above results have been reviewed by the Audit Committee along with the Limited Review Report given by the Statutory Auditors and the same was taken on record by the Board of Directors of the Company at its meeting held on 31 October, 2013.

Figures for the previous financial period have been re-arranged and re-grouped wherever necessary without any restatement on account of the demerged business.

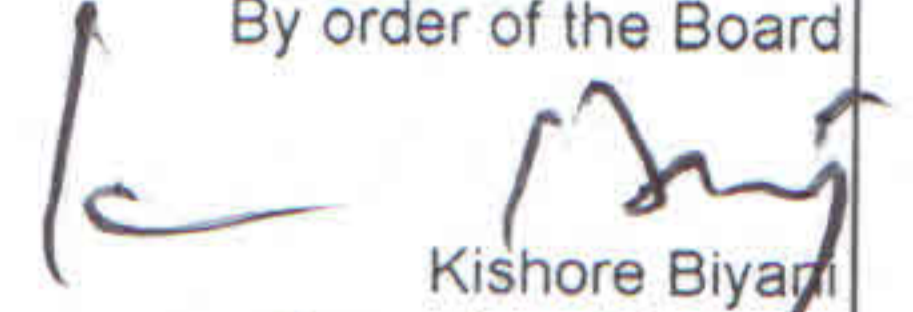

The current quarter results comprise mainly of the Home, Electronic Retail and other Business. The Company has demerged Pantaloon Format Business, which has been made effective from 8 April 2013. The Fashion Business demerger has been made effective from 29 May 2013. Accordingly, the financial performance of Pantaloon Formats and other fashion formats of the Company (viz. Central, Brand Factory, aLL and Planet Stores) have been excluded in the current quarter from the financial performance of the Company. Further, as part of the retail consolidation process, Future Value Retail Limited (FVRL), a wholly owned subsidiary company, operating Big Bazaar and Food Bazaar would stand consolidated with financial performance of the company with effect from 1 July 2012, on receipt of statutory approvals of the scheme of Amalgamation of FVRL with the Company, which has already been approved by Board on 15 March 2013 and members of the Company on 10 June 2013.

In view of the realignment activities and the two demerger schemes resulting in demerger of the Pantaloons Fashion format and other Fashion format business, the present quarter and nine months ended 30 September, 2013 financial result does not include performance of the Pantaloons Fashion format and Fashion Format Business, which forms part of the previous period's figures. Accordingly, the previous period's figures are not comparable

The Company has only one business segment i.e. "Retail". Which at present mainly comprises Home, electronic Retail and other Business
